## ABOUT NEUROLOGICAL & SPINE INSTITUTE

The Neurological & Spine Institute is one of the largest neurosurgical groups in the Southeast. In addition to its main location in Savannah, Neurological Institute also has neurosurgery clinics in Jesup, Springfield, Statesboro and West Savannah, Georgia, and Bluffton, South Carolina. Each physician, nurse and support staff member within our system works together to create the best environment for patients. Phone systems, medical records and staff operations are closely linked to allow patients to move easily throughout our locations.

## AREAS

The neurosurgeons at Neurological & Spine Institute are experienced in treating the following conditions:

- Brain conditions
- Carpal tunnel
- Back and neck surgery
- Pediatric neurosurgery
- Traumatic brain injury
- Brain tumors

## NEUROSURGEONS

### Kevin N Ammar, MD

*Board Certified Neurosurgeon*

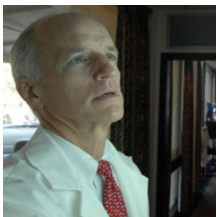

Dr. Ammar is a fellowship-trained neurosurgeon specializing in spine surgery. Dr. Ammar handles a broad variety of back and neck cases from across Southeast Georgia and South Carolina. Dr. Ammar is a member of several professional organizations including the American Medical Association and the Florida Medical Association.

### James Lindley, Jr., MD
